1. Discovery Control Plan.

- 1.1. Plaintiff intends to conduct discovery under Level 3 of Texas Rule of Civil Procedure 190 and requests the Court to enter the appropriate orders.

2. Rule 28

- 2.1. Pursuant to TEX. R. CIV. P. 28, Plaintiff moves that any partnership, unincorporated association, private corporation or individual doing business under an assumed name substitute a true name.

3. Parties.

- 3.1. Plaintiff is, and at all times mentioned herein was, a citizen and resident of Prosper, Denton County, Texas.
- 3.2. Plaintiff is, and at all times mentioned herein was, a "person" as defined by 47 U.S.C. § 153(39).
- 3.3. Plaintiff is, and at all times mentioned herein was, a "person" as defined by Tex. Bus. & Com. Code § 1.201(b)(27).

3.4. Plaintiff is, and at all times mentioned herein was, a “purchaser” as defined by Tex. Bus. & Com. Code § 302.001(3).

3.5. Defendant is a corporation with an address of 963 S. Orchard St. Ste.200 Boise, ID 83705.

3.6. Defendant is, and at all times mentioned herein was, a “person” as defined by 47 U.S.C. § 153 (39).

3.7. Defendant is, and at all times mentioned herein was, a “person” as defined by Tex. Bus. & Com. Code § 1.201(b)(27).

3.8. Defendant is, and at all times mentioned herein was, a “seller” as defined by Tex. Bus. & Com. Code § 302.001(5).

4. Jurisdiction and Venue.

4.1. Plaintiff claims for himself and the Class Members monetary relief over \$1,000,000 and non-monetary relief, including damages of any kind, penalties, costs, expenses, pre-judgment interest, and attorneys’ fees, which is within the jurisdictional limits of this Court.

4.2. Venue is proper in Denton County because Plaintiff resides in Denton County and the actions complained about occurred in Denton County. Defendant made calls to a resident of Denton County.

5. Nature of Suit

5.1. As the Supreme Court has explained, “Americans passionately disagree about many things. But they are largely united in their disdain for robocalls.” The Federal Government receives a staggering number of complaints about robocalls—3.7 million complaints in 2019 alone. The States likewise field a constant barrage of complaints. For nearly 30 years, the people’s representatives in Congress and state legislatures have been fighting back.

5.2. This action arises out of Defendant’s, practice of making telemarketing calls to individuals on the National Do-Not-Call Registry without prior

express written consent (or any consent whatsoever), in violation of the Telephone Consumer Protection Act, 47 U.S.C. § 227, et seq. ("TCPA") and provisions of the Texas Business & Commerce Code.

- 5.3. Plaintiff's telephone number was registered on the National Do-Not-Call Registry at the time of the calls and was so registered for more than 31 days prior to the calls.

6. THE NATIONAL DO NOT CALL REGISTRY

- 6.1. The national Do Not Call Registry (the "Registry") allows consumers to register their telephone numbers and thereby indicate their desire not to receive telephone solicitations at those numbers. See 47 C.F.R. § 64.1200(c)(2). A listing on the Registry "must be honored indefinitely, or until the registration is cancelled by the consumer or the telephone number is removed by the database administrator." *Id.*
- 6.2. The TCPA and implementing regulations prohibit the initiation of telephone solicitations to residential and wireless telephone subscribers to the Registry. 47 U.S.C. § 227(c); 47 C.F.R. § 64.1200(c)(2).
- 6.3. The regulations exempt from liability a caller who has obtained the subscriber's signed, written agreement to receive telephone solicitations from the caller. 47 C.F.R. § 64.1200(c)(2)(ii). That agreement must also include the telephone number to which the calls may be placed. *Id.*

7. TEXAS' ANTI SOLICITATION AND ROBO-CALLING STATUTES

- 7.1. §302.101 of the Texas Business & Commerce Code prohibits sellers from engaging in telephone solicitation from a location in this state or to a purchaser located in this state unless the seller obtains a registration certificate from the Office of the Secretary of State for the business location from which the solicitation is made.
- 7.2. Sellers engaging in telephone solicitations are required to register, among other things, list "each telephone number to be used by the seller and the address where each telephone using the number is located." §302.151(10).

7.3. §302.302(a) of the Texas Business & Commerce Code provides that a person who violates this chapter is subject to a civil penalty of no more than \$5,000 for each violation. Furthermore, §302.302(d) provides that the party bringing the action is also entitled to recover all reasonable cost of prosecuting the action, including court costs and investigation costs, deposition expenses, witness fees, and attorneys' fees.

7.4. Pursuant to § 305.053(a) of the Texas Business & Commerce Code, a person who receives a communication that violates 47 U.S.C. § 227, or a regulation adopted under that provision, may bring an action against the person who originates the communication for an injunction, damages or both.

8. GENERAL FACTUAL ALLEGATIONS

8.1. Plaintiff is the user of his cell phone number (XXX) XXX-9117.

8.2. Plaintiff's cellular telephone number is a residential number.

8.3. Plaintiff's cellular telephone number is a telephone number assigned to a cellular telephone service.

8.4. Plaintiff's cell phone number has been on the National Do-Not-Call Registry since July 1, 2014.

8.8. Prior to receiving the calls Plaintiff had no established business relationship with Defendant. To this day Plaintiff does not have an established business relationship with Defendant.

8.9. Defendant knowingly violated the Texas Business & Commerce Code TCPA when it made the Calls to Plaintiff and Defendant's violations were willful.

8.11. Defendant has failed to register pursuant to § 302.101 of the Texas Business & Commercial Code to provide telephone solicitations. The <https://direct.sos.state.tx.us/telephone/telephonesearch.asp> site ("Texas Registration Database") does not contain Defendant's registration.

¹ See <https://iceenterprise.biz/> (last accessed August 15, 2022).

8.12. Defendant does not qualify for an exemption under § 302.052 through § 302.061 of the Texas Business & Commercial Code or any section of Chapter 302 of the Texas Business & Commercial Code.

9. DEFENDANT'S LIABILITY

9.1. Because Defendant's calls constitute telemarketing, Defendant was required to obtain prior express consent from the persons to whom Defendant made the calls.

9.2. Plaintiff never provided Defendant with any consent, written or otherwise.

9.3. In addition, the TCPA prohibits making "any telephone solicitation" to a telephone number on the National Do-Not-Call Registry. 47 U.S.C. § 227(c); 47 C.F.R. § 64.1200(c); 47 C.F.R. § 64.1200(e).

9.4. The National Do Not Call Registry allows consumers to register their telephone numbers and thereby indicate their desire not to receive telephone solicitations at those numbers. *See* 47 C.F.R. § 64.1200(c)(2).

9.5. A listing on the National Do Not Call Registry "must be honored indefinitely . . ." *Id.*

9.8. Pursuant to § 305.053(a) of the Texas Business & Commerce Code, a person who receives a communication that violates 47 U.S.C. § 227, or a regulation adopted under that provision, may bring an action against the person who originates the communication for an injunction, damages or both.

9.9. As set forth above, Defendant violated 47 U.S.C. § 227, or a regulation adopted under that provision.

9.10. Accordingly, Plaintiff is entitled to a permanent injunction, and the greater of \$500.00 for each violation or Plaintiff's actual damages for each call made by Defendant. *See* Tex. Bus. & Com. Code § 305.053(b).

9.11. Plaintiff is entitled to \$1,500 per call if Defendant's actions are found to be knowing or intentional. *See* Tex. Bus. & Com. Code § 305.053(c).

9.12. In addition, pursuant to § 302.101 of the Texas Business & Commerce Code, a seller is prohibited from engaging in telephone solicitation from a location in this state or to a purchaser located in this state unless the seller obtains a registration certificate from the Office of the Secretary of State for the business location from which the solicitation is made.

9.13. Defendant violated § 302.101 of the Texas Business & Commerce Code when it engaged in telephone solicitation without obtaining a registration certificate from the Office of the Secretary of State of Texas.

9.14. Accordingly, for violations of § 302.101 of the Texas Business & Commerce Code, Plaintiff is entitled to an award of no more than \$5,000 for each violation pursuant to § 302.302(a) of the Texas Business & Commerce Code.

9.15. In addition, pursuant to § 302.302(d) of the Texas Business & Commerce Code, Plaintiff is entitled to recover all reasonable costs of prosecuting the action, including court costs and investigation costs, deposition expenses, witness fees, and attorney's fees.

9.16.2. Plaintiff was harassed and abused by Defendant's telephone calls;

9.16.3. Defendant's calls were a nuisance to Plaintiff;

9.16.4. Defendant's calls used the battery on Plaintiff's cell phone and Plaintiff had to pay to recharge the battery;

9.16.5. Plaintiff's phone was unavailable for other use while processing the illegal calls from Defendant;

9.16.6. Defendant illegally seized Plaintiff's telephone line while it made illegal calls to Plaintiff's cellular telephone;

9.16.7. Plaintiff's telephone line was occupied by multiple unauthorized calls from Defendant;

9.16.8. Defendant's seizure of Plaintiff's telephone line was intrusive; and

9.16.9. Plaintiff was inconvenienced by Defendant's calls, by among other things, hearing his ring and having to check the calling party.

9.17. These forms of actual injury are sufficient for standing and jurisdictional purposes.

10. Class Action Allegations.

10.1. The proposed Classes satisfy the requirements for a class action.

10.2. Plaintiff brings the claims for relief alleged in this petition pursuant to TEX. R. CIV. P. 42 on behalf of himself and classes defined as follows:

10.2.1. "Texas § 302.101 Class"

10.2.1.1. Plaintiff and all residents of the State of Texas, from four years prior to the filing of this Petition through the date of certification, to whose telephone number Defendant placed (or had placed on its behalf) a telephone solicitation when Defendant did not hold a registration certificate as required by Tex. Bus. & Com. Code § 302.101.

10.2.2. "Texas § 305.053"

10.2.2.1. Plaintiff and all residents of the State of Texas, from four years prior to the filing of this Petition through the date of certification, to whose telephone number Defendant: (1) placed (or had placed on its behalf) a call in violation of 47 U.S.C. § 227(c).

10.2.3. The Texas Classes are collectively referred to herein as the "Classes."

10.2.4. The following persons are excluded from the Classes:

- 10.2.4.1. (i) the judge(s) assigned to this case and his or her staff;
- 10.2.4.2. (ii) governmental entities;
- 10.2.4.3. (iii) Defendants and their affiliates; and
- 10.2.4.4. (iv) persons who have previously released Defendant of the claims raised by this case.

10.3. The Members of the Classes for whose benefit this action is brought are so numerous that joinder of all members is impracticable.

10.4. For example, numerous consumers have posted complaints about Defendant's illegal telemarketing practices on Google Reviews:

10.4.1. "It's been three years guys, come on. Calling incessantly to tell you something was filed incorrectly. Playing under the idea that they're just trying to help. Arguing with anything you say in regards to being removed from call lists. Then after being rude enough to argue with

your requests, they try to tell you that you're being rude. How is this even a business? Total joke." Steven Bierlink, 1 Star Google Review.²

10.4.2. "They are extremely unprofessional. They call you over and over trying to get you to let them file your DOT services. They spam call me all the time leaving voice messages. The Junk Transporter, 1 Star Google Review³

10.4.3. "You are violating the Do Not Call list. You use an auto dialer to call me 24 times in a row. 10.5. Other consumers have filed complaints with the Better Business Bureau:

10.5.1. "Since the middle of September, we have been getting daily sales calls from this company (844) 257-7802. It is the same prerecorded message which implies that they are part of the government / government agency. I finally called to ask that our company be taken off of this list. I mentioned that the calls have basically become a form of harassment. Instead of offering to take our number off of the list, they told me that they were within their right to continue to call. Both

Not to mention I have told them I am no longer the owner of the company they are inquiring about. The company was disbanded over a year ago. They threaten fines of \$1000 per day for not filing with them. They are nothing more than a shakedown. They have started finding and contacting my family and friends to push me to pay them for a service I don’t use for a company I don’t own. They have gone as far to contact my dead fiancé’s parents to push their claim.” BBB Complaint, June 9, 2020⁷

10.5.3. “I do not know who these people are, I am a private citizen and no nothing of this “D.O.T. by anular new is currently do Federal Motor Carrier Safety Administration license” I have never owned a company, I would like to stop calling my cell phone multiple times a day. 10.5.6. "These guys are a fraud they call **** times per week with robo calls claiming to need your binary update and want money when I don't even have an account. 10.6. The exact number and identities of the persons who fit within the Classes are ascertainable in that Defendant and third parties maintain written and electronically stored data showing:

10.6.1. The time period(s) during which Defendant placed its calls;

10.6.2. The telephone numbers to which Defendant placed its calls;

10.6.3. The telephone numbers for which Defendant had prior express written consent;

10.6.4. The purposes of such calls; and

10.6.5. The names and addresses of Class members.

10.7. The Classes are comprised of hundreds, if not thousands, of individuals.

10.8. There are common questions of law and fact affecting the rights of the Members of the Classes, including, *inter alia*, the following:

10.8.1. Whether Defendant (or someone acting on its behalf) makes solicitations and telemarketing calls to telephone numbers registered on the National Do-Not-Call Registry;

10.8.2. Whether Defendant had the requisite registration certificate as required by Tex. Bus. & Com. Code § 302.101 when making telephone solicitations;

¹¹ *Id.*

10.8.3. Whether Plaintiff and the Classes were damaged thereby, and the extent of damages for such violations; and

10.8.4. Whether Defendant should be enjoined from engaging in such conduct in the future.

10.9. Plaintiff is a member of the Classes in that Defendant placed two or more telemarketing calls to his phone in a one-year period when his telephone number was on the National Do-Not-Call Registry.

10.10. Plaintiff's claims are typical of the claims of the Members of the Classes in that they arise from Defendant's uniform conduct and are based on the same legal theories as these claims.

10.11. Plaintiff and all putative Members of the Classes have also necessarily suffered concrete harm in addition to statutory damages, as all Members of the Classes spent time tending to Defendant's unwanted calls and suffered a nuisance and an invasion of their privacy.

10.12. Plaintiff has no interests antagonistic to, or in conflict with, the Classes.

10.13. Plaintiff will thoroughly and adequately protect the interests of the Classes, having retained qualified and competent legal counsel to represent him and the Classes.

10.14. Defendant has acted and refused to act on grounds generally applicable to the Classes, thereby making injunctive and declaratory relief appropriate for the Classes.

10.15. The prosecution of separate actions by individual class members would create a risk of inconsistent or varying adjudications.

10.16. A class action is superior to other available methods for the fair and efficient adjudication of the controversy since, *inter alia*, the damages suffered by each class member make individual actions uneconomical.

10.17. Common questions will predominate, and there will be no unusual manageability issues.

11. FIRST CAUSE OF ACTION - Violations of Texas Business and Commerce Code, § 302.101

11.1. Plaintiff incorporates the foregoing allegations as if fully set forth herein.

11.3. Defendant placed telephone solicitations to Plaintiff's and the Class Members' telephone numbers.

11.4. Defendant's telephone solicitations were made from a location in Texas or to Plaintiff and the Class Members located in Texas.

11.5. Plaintiff and the Class Members are entitled to an award of up to \$5,000 for each violation and all reasonable cost of prosecuting the action, including court costs and investigation costs, deposition expenses, witness fees, and attorney's fees.

12. SECOND CAUSE OF ACTION - Violations of Texas Business and Commerce Code, § 305.053

12.1. Plaintiff incorporates the foregoing allegations as if fully set forth herein.

12.2. Defendant placed in a 12-month period at least one and may time more than one telemarketing telephone calls to Plaintiff's and the Class Members' respective telephone numbers.

12.3. Each of these calls violated 47 U.S.C. § 227(c).

12.4. Plaintiff and the Class Members are entitled to:

12.4.1. a permanent injunction to prevent any further violations of the Texas Business & Commerce Code, Chapter 305;

12.4.2. the greater of \$500 for each violation or Plaintiff's actual damages (*see* Tex. Bus. & Com. Code §304.053(b);

12.4.3. the greater of \$1,500 for each violation or Plaintiff's actual damages for each call made knowingly or intentionally (*see* Tex. Bus. & Com. Code §304.053(c).

13. Claims for Relief

13.1. The Texas Rules of Civil Procedure require that Plaintiff choose among several statements regarding the amount Plaintiff seeks. Accordingly, pursuant to Tex. R. Civ. P. 47, Plaintiff states that he seeks monetary relief over \$1,000,000 and non-monetary relief, including damages of any kind, penalties, costs, expenses, pre-judgment interest, and attorneys' fees, which is within the jurisdictional limits of this Court.

13.2. Plaintiff also seeks a demand for judgment for all the other relief to which Plaintiff deems himself entitled.

violate the Texas Business and Commerce Code because they are a
violation of 47 U.S.C. §§ 227 (c) and 47 C.F.R. §§64.1200(c);
- 15.1.3. An order declaring that Defendant's actions, as set out above,

Commerce Code;
